No. 368, s. 2019

JUL 10 2019  
**RELEASED**

**NATIONAL SCIENCE AND TECHNOLOGY WEEK**

To: **Schools Division Superintendents**  
*This Region*

1. Regarding DepEd Memorandum No. DM-CI-2019-00185 from the Office of the Undersecretary for Curriculum and Instruction, this Office encourages the participation of teachers and students in the **National Science and Technology Week (NSTW)** of the Department of Science and Technology (DOST) at the World Trade Center, Pasay City, on July 17-21, 2019.
2. The annual NSTW will gather industry experts, representatives from the government, agriculture, communication, and education sectors, and other stakeholders. This is also an opportune time to showcase results of exploratory/investigative science projects and inventions and other activities that will inspire students to pursue careers in science and technology and expand the network of STEM advocates.
3. Participation of both public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
4. Travel, accommodation, and other related expenses shall be shouldered by the participants.
5. Immediate and wide dissemination of this Memorandum is desired.

**SUBJECT : NATIONAL SCIENCE AND TECHNOLOGY WEEK – DEPARTMENT  
OF SCIENCE AND TECHNOLOGY**

**DATE : JUNE 25, 2019**

Science education aims to develop scientific literacy among learners that will prepare them to be informed and participative citizens who are able to make judgments and decisions regarding applications of scientific knowledge to their daily lives.

In line with these goals, we encourage the participation of students and teachers from both private and public schools in the celebration of the National Science and Technology Week (NSTW) of the Department of Science and Technology (DOST) with the theme **"Science for the People: Enabling Technologies for Sustainable Development"**, from July 17 to 21, 2019 at the World Trade Center, Pasay City, pursuant to Presidential Proclamation No. 169 s. 2013 entitled Declaring the Third Week of July as National Science and Technology Week. This annual NSTW will gather industry experts, representatives from the government, agriculture, communication and education sectors, and other stakeholders. This is also an opportune time to showcase results of exploratory/investigative Science projects and inventions and other activities that would inspire students to pursue careers in Science and Technology and to expand the network of STEM advocates.

Immediate dissemination of this memo is desired.
