REGIONAL MEMORANDUM
No. 719, s.2021

**YEAR-END CONFERENCE OF CI CHIEFS, PROGRAM IMPLEMENTATION
REVIEW OF THE CURRICULUM AND LEARNING MANAGEMENT
DIVISION, AND COMPENDIUM OF BEST PRACTICES
IN THE IMPLEMENTATION OF CURRICULUM AND INSTRUCTION
IN THE FACE OF THE PANDEMIC**

1. The pandemic has created a huge impact on the educational system especially the country's educational services, thereby changing the educational landscape.
2. To reduce the impact or spread of the virus, the Department of Education (DepEd) canceled the face-to-face teaching and learning process and implemented the distance learning delivery mode/remote learning to all learners.
3. Thus, the SY 2020-2021 is one of the most challenging and unprecedented times. The Department had to shift from textbook to self-learning modules and collaborated closely with the parents/families who have served as strong partners in the delivery of the teaching and learning process through the adoption of the distance learning system, a delivery mode in which learning takes place more in the safety of the learners' homes.
4. The full implementation of the distance learning delivery mode to all Filipino learners is historic, meaningful, and challenging. Hence, there is a need to conduct a year-end conference with the chief education supervisors of the divisions and a program implementation review of the Curriculum and Learning Management Division (CLMD). These activities will create a compendium that showcases the best practices in the implementation of curriculum and instruction amidst the pandemic.
