REGIONAL MEMORANDUM  
No. 754, s. 2021

**REGIONAL-LED WORKSHOP ON DEVELOPMENT OF SELF-LEARNING  
MODULES FOR SENIOR HIGH SCHOOLS (SHS)- TECHNICAL VOCATIONAL  
LIVELIHOOD SPECIALIZATIONS**

To: Schools Division Superintendents  
All Others Concerned

1. The COVID-19 pandemic poses challenges to the implementation of RA 10533 otherwise known as the Enhanced Basic Education Curriculum act of 2013, specifically Edukasyong Pantahanan at Pangkabuhayan (EPP)/Technology and Livelihood Education (TLE) and Technical Vocational Livelihood (TVL), which are among the subject areas severely affected. The hallmark of TVL is on practical skills and work-readiness, which make distance learning very challenging.

2. The Regional Office (RO), through the Curriculum and Learning Management Division (CLMD), will lead the development of quality-assured Self-Learning Modules (SLMs) for Senior High School (SHS)- Technical Vocational Livelihood Specializations using the Competency-Based Learning Materials (CBLM). Currently, the Region offers a total of 59 SHS-TVL specializations distributed as follows:

- a. Agri-Fishery Arts (AFA)-12 specializations,
- b. Home Economics (HE)- 22 specializations,
- c. Information Communications Technology (ICT)- 9 specializations, and
- d. Industrial Arts (IA) -16 specializations

3. However, there are only 13 specializations with available SLMs in version 5. Hence, there is a need to collaborate among educational leaders, EPP/TLE/TVL teachers—especially the JHS and SHS-TVL teachers holding Training Methodology Level I and II—and assessors to help address the gap on the availability of the Region-led SLMs. The CBLMs will serve as one of the bases in the development of SLMs of the other 46 specializations.
