Greetings from the Department of Information and Communications Technology!

The Courses for Literacy on Internet and Computer Knowledge or Project CLICK of the ICT Literacy and Competency Development Bureau (ILCDB) aims to build and transform the digital competencies of Filipino teachers through Information and Communication Technologies. We also aim to promote the role of teachers and learners as strategic knowledge partners in accelerating economic recovery and developing the global competitiveness of the Filipino ICT workforce through ICT education, as well as, to deliver cyber-education content to promote awareness of the issues which learners might encounter in the cyberspace and equip these learners by giving them protective skills and promoting positive online behaviour.

In line with our project's objectives, we invite you to the Cybersafe Practices Massive Open Online Course from **24 October 2022 to 21 November 2022**, **synchronously** through **Zoom** and **asynchronously** through the **DICT-Modern Academics Convergence Hub 1.0 (MACH1)** Cast Learning Management System. Participants are required to attend the synchronous sessions on **24 October 2022 (Monday, 10:00 AM to 11:30 AM)** for the Orientation and on **21 November 2022 (Monday, 10:00 AM to 12:00 PM)** for the Wrap-up Session.
